

ASPB Education Committee Meeting

November 3, 2022

- In attendance: Erin, Jonathan, Kate, Susan, Divya, Winnie
- Welcome new EdCom members: Sebastian, Jen, Divya (ECR Rep)

PB23 Outreach

- Save the date for **Saturday, August 5**- Public outreach event. Ideally plan on arriving Friday since setup will be early Saturday
- Location TBD: Targeting Forsyth Farmers Market

Workshop Ideas (See [Google Doc](#))

- Hands on Education- tactile activities to use in educational setting
- UnGrading/Specs Grading
- Hidden Veggies
- Early career- how to set up a new course
- Integrating DEI into course/syllabus
- *Scientist spotlight- generate a resource for the ASPB community
 - o <https://sites.google.com/view/diversityinchemistry/>
 - o <https://pubs.acs.org/doi/10.1021/acs.jchemed.1c00394>
- Erin will formalize a workshop proposal to share with the committee and send around for feedback

Concurrent

- Possibility of integrating education into all of the symposia? Reach a broader audience
- Draft language to share with leadership to push integration of education across plenaries
- For BLOOME winners: setup a networking session or stage time, possible table or booth space (even if there is no permanent ASPB booth space), etc.
