Actions to Get More Value from Your ASPB Membership

1

Search the Member Directory for colleagues.

Sign in to the Member Portal and click on the Member Directory in the top menu.

2

Apply to join a committee.

Sign in to the Member Portal and click on Serve on a Committee in the top menu.

3

Read *Plant Physiology* and *The Plant Cell*.

Sign in to the ASPB site using your member username and password.

4

Update your profile.

The more we know about you, the better we can target our emails and programming to your interests.

5

Nominate a fellow plant scientist (or yourself).

Nominees are needed every year for ASPB leadership positions and named awards.
