

April 2017

FEATURED

Let's March for Science!

ASPB encourages all members of our global plant science community to participate in a [March for Science on April 22](#). [Visit the Plant Science Today blog](#) for information on meeting up with fellow plant biologists. Also, join the [March for Science Plantae group](#) for further discussion.

RESEARCH

Engineers, Plant Biologists, and Data Scientists Assembled in Tucson for Phenome 2017

The inaugural Phenome 2017 conference was held February 10-14, 2017, in beautiful Tucson, AZ. [Learn more.](#)

NCSU Graduate Research Opportunity

North Carolina State University's Colleges of Agriculture and Life Sciences, Engineering, and Sciences are recruiting outstanding students to pursue interdisciplinary PhDs as USDA-funded National Needs Fellows.

What We're Reading

The series "What We're Reading" is nearly six months old. Find out [Why We're Writing "What We're Reading"](#). Feel free to share your suggestions by sending us an [email](#).

[What We're Reading: April 7](#)

[What We're Reading: March 31](#)

FEATURED JOBS

IBS Young Scientist Fellow

*Institute for Basic Science
South Korea*

Assistant Professor of Molecular Genetics in Forest Health

*North Carolina State
University
Raleigh, NC, USA*

Professor and Department Head, Crop and Soil Sciences Department

*University of Georgia
Athens, GA, USA*

*Search/browse all jobs on
jobs.plantae.org*

ASPB Calendar

Reviews on hot topics in plant cell biology, with broad coverage of the major plant organelles and cytoskeletal systems.

Deadline for submissions: June 5, 2017.

Plant Physiology Focus Issue on Energy: Light and Oxygen Dynamics

To be published in February 2018, this Focus Issue will consider topics ranging from cellular processes to developmental decisions, in the context of the organism and its interactions with a dynamic and challenging environment.

Deadline for submissions: August 1, 2017.

EDUCATION & OUTREACH

Town Hall Highlights STEM Careers in Food and Ag

Targeted to high school students and undergraduates, this conversation features exciting, high-tech STEM career paths in the food and ag space. [Learn more about the speakers and how to participate.](#)

Fascination of Plants Day Is May 18, 2017

Contact the ASPB coordinator, [Natalie Henkhaus](#), for information about organizing an education or outreach event in your local community. [Learn more about the video contest.](#) [Check out 2015's winners.](#)

Teaching Tools in Plant Biology Pre-proposals Due April 30, 2017

We want to hear your ideas for new content for *The Plant Cell's* [Teaching Tools in Plant Biology](#) series and are soliciting pre-proposals for contributions. Address any questions to Mary Williams, mwilliams@aspb.org.

Calling all U.S. Scholars: The Fulbright U.S. Scholar Competition for 2018-2019 Has Opened!

Opportunities are available for college and university faculty and administrators as well as for professionals, artists, journalists, scientists, lawyers, independent scholars, and many others. Proposals are due **August 1, 2017** (for most awards). [Find the right opportunity for you.](#)

Upcoming Plantae Seminar Talking Plants: Plant Science Communication

Learn to communicate plant science to the public more succinctly and effectively, understand the techniques and challenges of

ASPB Northeastern Section Meeting

April 22-23, 2017

ASPB Mid-Atlantic Section Meeting

April 29, 2017

Fascination of Plants Day

May 18, 2017

Plant Biology 2017 in Honolulu #plantbio17

Abstract Submission

Deadline: **May 24**

Meeting Dates: **June 24-28**

View all upcoming ASPB deadlines and events

ASPB News

READ THE LATEST ISSUE

using video for science communication, and learn to choose a platform that best suits your needs. **ASPB Members get first access to registration** - information coming soon.

Plant Biology 2017 #plantbio17 June 24-28 in Honolulu

Plant Biology 2017 will bring together plant scientists from around the world to create a vibrant community that fosters collegiality and promotes cross-pollination of ideas. **Early-bird rates expire April 30, 2017.** [Register now.](#)

International Molecular Moss Society's Annual Meeting

As part of Plant Biology 2017, you can attend the International Molecular Moss Society annual meeting from June 22 to 24. The conference program has myriad offerings. [Learn more.](#)

Attend the PSRN's discussion at PB2017

If you're attending Plant Biology 2017, in Honolulu, the Plant Science Research Network (PSRN) invites you to attend A Discussion on the Future of Plant Science (Saturday, June 22, 9:00 – 11:00 AM).

ASPB UPDATES

Plantae Seminar Series: Priority Registration Offered for ASPB Members

[The Plantae Seminar series](#) is extremely popular and registration fills up quickly. We are now offering priority registration to ASPB members. [Make sure your membership](#) is current so that you can take advantage!

Flora Unveiled Discount for ASPB Members

Order *Flora Unveiled: The Discovery and Denial of Sex in Plants*, by Lincoln Taiz and Lee Taiz, from the [OUP website](#) and receive a 20% discount by entering the promo code ACFLYP8 prior to checkout.

Give your students the gift of ASPB membership (at a discounted rate) and help them thrive.

ASPB membership opens doors and provides access to career opportunities, education, and other valuable benefits.
