The PALM Network Grant

up to $2000 per Fellow / $500 mentor stipend
$1000 meeting travel each for Fellow and mentor

Cultivate an active learning practice in lecture classes in which undergraduate students are engaged in their own learning

PALM Fellows will:

• Gain mentorship from leaders in undergraduate biology teaching and learning
• Learn best practices in teaching and in assessing active learning
• Create an original teaching module that engages students in active learning
• Join a community of scientists dedicated to active teaching and learning, and share ideas and support
• Participate in Fellow-mentor journal clubs, meetings, and networking opportunities
• Obtain invaluable career development for faculty careers
• Be part of a network of scientific societies dedicated to supporting scientists in teaching and learning careers
