Project Materials

Attach outreach materials and curriculum developed as a result of the project. Include all information needed to execute the activity/lab with students, including but not limited to student guides and handouts, instructor guides, instructor background primer, list of required supplies, homework/assessment questions and answers, and video demonstrations. Materials must be in a ready-to-disseminate format. Include a cover page detailing: alignment with Principles for Teaching Plant Biology, supplies + estimated cost, targeted age/grade, estimated length of activity

Evaluation

Attach a 1-page (max) summary of any evaluation tools, protocols and/or outcomes. Please consider the [2022 RFP](#) in your response:

- *What are the expected outcomes of this activity/lab?*
- *How will you evaluate whether the proposed goals and objectives were achieved?*
- *What assessment tools will be used for the activity/lab and how are they appropriate for this specific project?*
- *How will your assessment inform further development or iterations of the activity/lab?*

Dissemination

Attach a 1-page (max) summary of progress on the dissemination plan.

Budget

Attach a 1-page (8.5x11) spreadsheet to clarify budget expenditures and/or remaining balance.
